Contents

1. Introduction 1
   1.1. Overview of this Manual 2
   1.2. Getting Started 3
   1.3. Some Philosophy 4
2. Type Sizes, Type Styles, and Line Spacing 6
   2.1. Type Sizes and Styles 6
   2.2. Interline Spacing 8
   2.3. Footnotes 9
   2.4. Automatic Quote Balancing 10
3. Equations 11
   3.1. Equation Numbering 11
   3.2. Special Symbols 16
   3.3. Automatic Parentheses Sizing 19
4. References and Citations 21
   4.1. Entering References 21
   4.2. Citations to Defined References 24
   4.3. Listing the References 24
   4.4. Citation Styles 25
   4.5. Using BibTeX 26
5. Labels and Tags 28
   5.1. Tagging 28
   5.2. Forward References 30
   5.3. Hypertext 30
6. Typesetting Complete Papers 31
   6.1. Types of Documents 32
   6.2. The Title "Page" 33
   6.3. Chapters and Sections 36
   6.4. The Master File 39
   6.5. Table of Contents 40
   6.6. Running Headlines and Footlines 42
   6.7. How to Make an Index 43
7. Figures and Tables 45
   7.1. Figures 45
   7.2. Encapsulated PostScript Graphics 48

7.3. Simple Tables . . . 51
7.4. Ruled Tables . . . 52
7.5. Lists of Figures and Tables . . . 60
7.6. Listing Figure and Table Captions . . . 61
7.7. Printing Figures and Tables at the End of a Document . . . 62
7.8. Nonstandard Figure and Table Placement . . . 62
8. Environments . . . 64
8.1. Flush or Centered Text . . . 64
8.2. Simple Examples and Quoted Text . . . 65
8.3. Theorems and Proofs . . . 65
8.4. Listing Computer Code . . . 67
8.5. List Environments . . . 68
8.5.1. Itemized lists . . . 68
8.5.2. Enumerated lists . . . 69
8.5.3. Lists Labeled by Text . . . 71
8.5.4. Spacing of List Environments . . . 72
8.6. TEX example macros . . . 72
9. Style Files and Specialized Formats . . . 74
9.1. Specialized Document Styles . . . 74
9.1.1. Physical Review Formats . . . 76
9.1.2. Thesis or Dissertation Format . . . 76
9.2. Creating New Styles . . . 77
9.3. Overhead Transparencies (Slides) . . . 78
9.4. Color PostScript Output . . . 78
9.5. Twin Page Output . . . 80
10. Letters, Memos and Referee Reports . . . 82
10.1. Letters . . . 82
10.2. Envelopes . . . 85
10.3. Memos . . . 86
10.4. Referee Reports . . . 88
10.5. Form Letters . . . 89
11. Double Column Output . . . 92
12. Miscellaneous Macros . . . 97
12.1. mode . . . 97
12.2. Ignoring blocks of text . . . 97
12.3. Checkpoint/Restart . . . 98
12.4. Other Goodies... . . . 99
12.4.1. Underlines . . . 100
12.4.2. Boxes . . . 100
12.4.3. Read the Code . . . 101

Appendices:

A. Customization and Installation of TEXsis 102
A.1. Customization 102
A.1.1. Local Modifications 102
A.1.2. Site Modifications 102
A.1.3. Patches 103
A.2. Installation of TEXsis 103
A.2.1. Quick Install for Unix and TEX 3.x 103
A.2.2. Detailed Installation 104
B. Revisions 108
B.1. Revisions for Version 2.19 108
B.2. Revisions for Version 2.18 108
B.3. Revisions for Version 2.17 108
B.4. Revisions for Version 2.16 109
B.5. Revisions for Version 2.15 110
B.6. Revisions for Version 2.14 111
B.7. Revisions for Version 2.13 112
B.8. Revisions for Version 2.12 112
